

GFWC-Big Rapids, Inc. Newsletter

August, 2025

Can you believe it's August already! School starts in a few weeks, and it seems like the kids just got out. As with us, it seems we just had our end of year banquet, and we are now preparing for our September meeting and starting the new club year, but not before our annual picnic. Be sure the date is on your calendar and remember to bring a friend! Let them see how much fun we have together as well as all the volunteering we do in and around our community. And, as always, thank you for all you do.

GFWC Tidbits . . .

GFWC International

For some years in the early 1900s, GFWC was the largest national women's organization before being overtaken in membership by the [National American Woman Suffrage Association](#). Its national membership peaked at 1,700,000 in 1914, the same year the organization finally agreed to lend its support to the suffrage movement.

GFWC Michigan

The last GFWC International Convention held in Michigan was in 1935. It was held in Detroit as will the 2028 GFWC International Convention also be held in Detroit, 93 years later.

GFWC-Big Rapids, Inc.

In 1936 a Mrs. William Vaxter of the Big Rapids Woman's Club was the chairman of the Girlstown Board, now known as Guiding Harbor.

MUM FUNDRAISER

GFWC will again hold a Mum Sale fundraiser this Fall. Mums are \$15.00 and GFWC will make a \$5.00 profit on each mum plant sold. The Education & Libraries CSP will have order forms at the August Picnic for anyone who wish to take orders from their family and friends. Mum plants are scheduled to be ready for pickup from Lee Ann's Flowers on September 8th after 4 pm.

If you remember, last year the mums from LeeAnn's were just beautiful and she had a very good choice of colors. Everyone loves mums in the fall, so start taking orders from your family and friends right now.

Thursday evening- 6:30 – 8:30 PM There will be a "Meet and Greet" in the Short North. The Ohio members will serve some special treats and libations.

Friday morning 9:00 AM the bus will leave the hotel at 9:15 AM for our **scheduled guided tour of the Ohio Statehouse, then on to the Old Bags of Nails**, where you can choose from the menu and pay your own tickets. Our last stop on the tour will be a guided tour of **the Franklin Park Conservatory**. You will return to the hotel at approximately 3:30 PM, just in time for the Great Lakes Region Board Meeting scheduled to start at 4:15 PM in the Cardinal Room. Those not serving on the BOD there is an optional drop-off at the Easton Town Center for some shopping but you will need to find your own way back to the hotel. (Shuttle service info will be provided).

Please wear your GFWC emblematic apparel during the tour or the sightseeing.

Friday afternoon 4:15 PM The GFWC Great Lakes Region Board of Directors will meet from 4:15-5:00 PM. Officers, Chairmen, Committee members, and Region representatives who are scheduled to give reports at the Board Meeting and/or during the Conference are asked to send your reports to GLR Secretary, Candy Godbee and copy GLR President, Rose Logston before Tuesday, October 5th. If you cannot do this, bring two copies to this meeting.

Friday evening 5:00 - 7:00 PM Embassy Suites Complimentary Reception and a large area to provide the opportunity to catch up with long-time friends and make new ones. You will be able to socialize with GFWC International President Suellen Brazil and President-elect Wendy Carriker before we enjoy the "Ohio the Heart of All" state night dinner. (Special request: Wear something with RED on it, if you can.) **6:45 PM** Processional participants will organize in the hall in front of the Buckeye Ballroom **After dinner**, GFWC Ohio members will host a reception honoring GFWC and GLR officers.

Saturday 9:00 AM the opening ceremonies of the **2025 "Hearts in Action: Celebrating Kindness – Honoring Volunteers" Great Lakes Region Conference** will begin with the "Great Eight" procession. The Business Session will include reports from the GFWC Chairmen and/or Committee members representing our Region on the GFWC Board of Directors. These representatives will present platform workshops and presentations while sharing great information with us. The election of officers for the 2026-2028 administration will take place, and we will hear from our 2025 LEADS graduates. We will also have a little fun time getting to know each other better.

Saturday 12:00 PM "Savor the Moments: The Power of Positive Connections" Luncheon will celebrate our affiliates and welcome our keynote speaker, GFWC President-elect Wendy Carriker. More reports, workshops, and presentations will follow. And of course, some fun!

Saturday 4:30 PM – 5:30 PM Incoming 2026-2028 leaders will meet with GFWC President-elect Wendy Carriker. This will include 2026-2028 Region President, State Presidents, and State Directors of Junior Clubs.

Saturday 4:30 PM -6 PM "Tea and Talk" time in the GLR President's room #223 and Short North (Maybe something stronger than tea)

GFWC Great Lakes Region would like to request your support in our fundraising efforts. We are requesting **gift card donations to support our “Quarter Auction”** on Saturday evening. Gift cards must be from national chain stores such as Cracker Barrel, Lowes, Target, Wendy’s, Walmart, or Starbucks to name a few. (\$10.00 or more in value.) We will collect the cards at registration, and if you wish to support Great Lakes Region but cannot attend, please give them to your state president or another attending member. In advance of the Conference, the fundraising committee would like to thank you for your generosity.

State Presidents & Directors of Junior Clubs—Please be prepared to present a report of not more than three minutes. GLR Vice-President Loretta Caron will contact you with more detailed information.

Please **remember to bring your state flag, pole, and stand** for Saturday morning opening ceremonies. The flag bearer is to wear **white gloves**.

Deadlines – Please adhere to the GLR and Hotel deadlines as listed on the Registration Form. The hotels are no longer preparing meals for additional attendees so get your reservations in on time and be sure and make your selections, if offered.

Please share this Call with all members in your state and club.
Encourage them to join us in Ohio.

“Bring One – Get One” If you bring a member who has never attended a GLR Region Conference, you and your “newbie” will each receive one entry into a drawing for a new designer purse with matching wallet. The entries will have been saved from Michigan and the drawing will be held at the close of the GLR Conference in Ohio in 2025. (Purse and wallet donated by GLR President Rose Logston)

Please consider making a donation to the GLR IDS Day on the registration sheet. In order for us to evaluate our impact we decided we would offer you the opportunity to contribute in time for us to make the donation on September 27th on behalf of the GFWC Great Lakes Region. Thank you so much!

FLOWER OF THE MONTH

From the Environment CSP

BLACK-EYED SUSANS

With its many flowers, black-eyed Susan lends itself well to mass plantings and has long been a staple in perennial gardens. Black-eyed Susan, [native to the Midwest](#), comes in both [annual and perennial](#) varieties. Hardy in Zones 3-11, they need little care to grow abundantly. Because black-eyed Susan blooms for many weeks when other summer perennials begin to fade, this plant is a sign that fall is around the corner.

The most common black-eyed Susan flowers have a single row of gold petals surrounding a black or brown center. The foliage is unobtrusive. Because the foliage is covered in coarse hairs, [rabbits and deer](#) rarely bother it (although these creatures may snack on the flowers). The leaves are usually deep green, which blends well in a mixed garden bed.

Light - These sun-loving plants do best when grown in sunlight six to eight hours a day. They can grow in shade, but the colors of the flowers aren't as vibrant.

Soil and Water—Once black-eyed Susan is established, it's a [drought-tolerant plant](#), but it needs regular watering when first planted. While they grow well in almost any soil, black-eyed Susan won't thrive in soggy locations. If your soil is mostly sand, add [organic matter](#) to help it retain water.

Temperature and Humidity—These plants grow best in warm temperatures. They prefer 60°F or above. However, black-eyed Susan doesn't mind humidity. When temperatures are very hot (above 90°F), increase watering to keep the plants from being overly stressed by the heat.

Fertilizer—Because black-eyed Susan grows in most soils, it usually doesn't need fertilizer.

Pruning—Deadheading black-eyed Susan is essential for healthy regrowth. When deadheading, cut back to just past the first leaf on the stem. At the end of the season, [cut them back](#) to 2 inches above the ground. Add mulch during cold months to keep them from freezing before spring. Black-eyed Susan propagates from underground rhizomes and self-seeds, so if you want to keep them from spreading, clean up seed pods and trim back growth.
